

ST. FRANCIS HOSPITAL

IMPORTANT

Cataract surgery patients should receive a phone call the evening before their scheduled surgery.

If you do not receive a call by 7:00 PM the evening before, please call:

562-6705 (Day-Op)

If there is NO response at this number, please call 562-6202 and ask for extension 5202.

Thank you
St. Francis Hospital

HOSPITAL PARKING TO DEMATTEIS PAVILION, REGISTRATION A

From Port Washington Blvd., turn at the light into the Main Traffic Entrance of the Hospital and immediately bear to the left. Follow the road around and you will see the hospital parking garage on your right. Park in the garage. Take the hospital parking elevator to Level L. Enter the main lobby, stop at the information desk and ask for directions to Registration A. From there you will be directed across the lobby into the DeMatteis Pavilion. Take the elevator or stairs down to the Lower Level where you will find Registration A.

DROP OFF INSTRUCTIONS

From Port Washington Blvd., turn at the light into the main traffic entrance of the hospital and immediately bear to the left. Follow the road around and you will see the hospital parking garage on your right. Pull into the garage. Follow the signs for Level P2, "Patient Drop-off". You can drop someone off at the DeMatteis Pavilion entrance and they can sit in the DeMatteis Pavilion lobby while you park the car. After parking, return to Level L. Enter the main lobby, stop at the information desk and ask for directions to Registration A. From there you will be directed across the lobby into the DeMatteis Pavilion. Take the elevator or stairs down to the lower level where you will find Registration A and the DeMatteis Pavilion lobby.
